**INFORMATION ON  
LODGING TAX FUNDS  
& WHO MAY APPLY**

**What are “Lodging Tax Funds?”**

Lodging taxes are paid when people purchase lodging, such as renting a room at a hotel or staying in an RV park within the unincorporated areas of the county.

**How can those funds be used?**

Washington State law (RCW 67.28.1815) requires that funds be expended “...solely for the purpose of paying all or part of the cost of tourism promotion, acquisition of tourism-related facilities, or operation of tourism-related facilities...”

Tourism promotion is defined as “...activities and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing of special events and festivals designed to attract tourists.”

## Who can apply for funds?

Any **non-profit organization** or **municipally owned VIC** that will use the funds for the purposes of promoting tourism in Okanogan County with the goal of increasing the number of overnight stays at lodging facilities.

## Who decides which applications get funded?

All applications are reviewed by the Lodging Tax Advisory Committee (LTAC), which is charged with making recommendations for funding to the Board of County Commissioners (BOCC), who approve or disapprove the recommendation.

## How do I apply?
