Subject: Proposed Zone Code Comments

Dear Lauren,

As President of our Wolf Creek HOA, I have become aware that our rural residential neighborhoods face an uncertain future with the demands being put on our access to water, risks of wild fire, and maintenance of our roads.

We support the concerns and recommendations of the Methow Valley Citizens Council concerning the proposed Zone Code. Please implement their suggested recommendations.

Sincerely,

Paul and Jacqueline Smith
16 Left Fork Wolf Creek Rd.
Winthrop, WA 98862
