Description of the Incident:

Description of the Incident:

Authority: My name is Deputy Ray, I am currently assigned as a patrol Deputy/Canine handler for the Okanogan County Sheriff's Office. I am a fully commissioned officer in the State of Washington and I am authorized to enforce the laws and ordinances within Okanogan County.

Assignment: At the time of this incident I was wearing Okanogan County Sheriff's Office authorized patrol uniform complete with shoulder patches and badge. I was also driving a fully marked sheriff patrol vehicle, which is fully equipped with sheriff decals, emergency lights and siren.

The following incident occurred inside the boundaries of Okanogan County. This incident was recorded my Getac body worn camera (BWC).

* This report is a synapse of the contact between Raiven Adams and Solomon Brown. For full details of the contact refer to the video.

On 03/11/22 OCSO dispatch advised me of a possible domestic dispute at 16 Palmer Ave, Loomis. The reporting party Raymond Contes called to report the following:

STEP DAUGHTER RAIVEN ADAMS CALLED, STATED HUSBAND SOLOMON BROWN TRYING TO TAKE PHONE FROM HER, PUT HER ON THE GROUND. RP WAS WATCHING VIA VIDEO CHAT, HAS SOME OF IT RECORDED. BROWN HAS WEAPONS IN RES, DID NOT HAVE ANY ON HIM, NOT MENTIONED DURING CALL.

I responded to the residence and contacted Ravien. Raiven invited me into the residence and I asked if she could tell me what was going on between Solomon and herself. Raiven stated the argument had started from the last night. Solomon was cussing at her and being crazy. Ravien stated they are currently moving out of the residence and into the camp trailer, so most of their stuff is in the camp trailer. At night Raiven moves there child in common over to the camp trailer to sleep. Solomon was in the camp trailer and Raiven went over and told Solomon she was coming into the camper due to all of their stuff being in there. Solomon began cussing at her and told Raiven she had to leave the camp trailer. Ravien told Solomon, they needed to be in the camp trailer due to all of their stuff being in there. Solomon then left in a vehicle. Ravien took their son and herself over to the camp trailer and laid down in bed. Solomon came back and began banging on the door. Raiven told him, she did not feel comfortable letting him in and asked what he wanted. Solomon told her, he needed some things out of the camper. Raiven told him, she would set the things outside. Raiven stated Solomon came back multiple times throughout the night asking for items. Raiven felt this was only to make her engage in a conversation.

This morning after getting up, Raiven brought her son back over to the house and came inside. Raiven went to the bedroom door and knocked on the door and Solomon didn't answer. Raiven was unsure if Solomon was in the room, so she knocked louder. This time Solomon answered and she told him that he needed to come out and watch their son, so she could clean. Raiven needed to clean the camp trailer and asked Solomon to stay in the house with their son. Raiven then left the house and walked to the camp trailer. Raiven then heard their vehicle start and Ravien looked out to see Solomon leaving. Raiven went to the vehicle and told Solomon, he could not leave their son in the house by himself. Raiven told him, she was not trying to be around him and told him if he would go in and watch their son, she would leave him alone.

Raiven then spoke of how, Solomon always tries to leave their son with her when Solomon doesn't feel he is getting his way. Raiven spoke of a time when they had gotten into an argument and she had walked across the street to Solomon's brother's house to get away from

him. Solomon told her if she didn't come back he was going to walk with their son to his mother's house. Raiven stated it was 2 a.m. and she could not have her child walking down the street at that time of day, so she had to come back to the house. After she came back Solomon took off running down the road and left. Raiven also stated there have been times were Solomon has stated he was going to shoot himself in the head during their arguments.

Raiven stated she has not said anything in the past due to Solomon telling her, he would take their son if she said anything.

Raiven then went back to what happened today. Raiven stated she went into the camp trailer and shut the door. Raiven was on Facetime with her mother. Solomon came into the trailer and began telling Raiven, she was so crazy and other things. Raiven stated it was only Solomon trying to get her to say something to make her look bad so he doesn't get into trouble for his actions. Raiven then told Solomon she was on the phone with her mother and asked him to get out. Raiven told Solomon, he was acting crazy and scarring her. Solomon wouldn't leave the camp trailer and Raiven told him that he needed to go back in the house with their son. Raiven told Solomon, she was staying away from him. Raiven then stated Solomon pushed her down on the bed and was trying to take her phone. Raiven stated Solomon was holding her down by having one hand on her hip and the other on hand.

Raiven stated she does not have cell service there and Solomon knows it. Raiven stated Solomon was trying to take the phone so Raiven's stepdad couldn't hear her ask him to call the cops. Raiven stated she was scratched on her hand during the argument. Raiven then told Solomon, she was going to call the cops and Solomon left. Raiven was unsure of where he had went and did not know if it was to his mother's house or the property on the mountain.

I asked Raiven how many times Solomon had pushed her. Raiven stated a few times. Raiven became emotionally upset and was concerned due to Solomon's status they were going to attack her for reporting this. I provided Raiven with a domestic violence pamphlet and showed her the phone numbers for contacts on there. I did not observe any marks other than the scratch on Raiven's finger that would indicate an assault had occurred. I had even allowed Raiven to check privately to see if there were any marks under her clothing and she stated there were none.

I left the location and was able to locate Solomon on Washburn Lake Rd. I asked Solomon if he could tell me what had occurred between Raiven and himself. Solomon stated Raiven was complaining at him a bunch last night and they were trying to get the house cleaned up. Solomon took a shower before washing dishes and Raiven came in there and was banging on the door. Raiven began complaining at him, so he tried going into the trailer. Solomon locked the door of the camper. Raiven came over later and began banging on the door and wanted him to get his stuff out of the trailer. Solomon switched places with her and went into the house. This morning he woke up to Raiven banging on the door again. Raiven was again yelling and screaming at him. Solomon told Raiven, he didn't want to argue with her especially in front of their son. Solomon told Raiven, he just needed some space. Solomon then went and tried to get in the car to leave. Raiven jumped on top of the car, so he parked it. Solomon then went into the trailer to try and talk to her and she was talking to her mother. Raiven was saying a bunch of stuff that he was doing that he wasn't. Solomon stated he grabbed her phone from her hand and Raiven kind of hit him in the side a little bit. Solomon then gave Raiven her phone back and asked if he could just leave. Solomon grabbed some of his stuff and left.

Solomon asked what Raiven had said. I explained the stories were mostly the same except for the fact Raiven was reporting he had pushed her during the time of him taking the phone. Solomon again stated he had only taken the phone out of her hand and Raiven jumped on his side. Solomon then gave Raiven her phone. back.

At this time I advised Solomon of his Miranda Rights from my CJTC issued card. Solomon stated with a verbal "yes" he understood his rights. I advised Solomon at this time, I was placing him under arrest for assault 4 DV.

I was able to speak with Raymond and Cassy Contes. Raymond is Raiven' s stepfather and Cassy is her mother. I was told by Raymond, he did not actually witness Solomon pushing Raiven. Raymond stated he did hear Raiven say, "Ow you're hurting me" and Solomon calling Raiven a "bitch" and telling her she is crazy. I spoke with Cassy who stated she was on the phone with Ravien when Solomon came into the camp trailer. Cassy stated she could hear Solomon swearing at Ravien and at one point what Cassy believed was the phone falling to the floor, Cassy could see Solomon on top of Raiven. Cassy stated the call was disconnected and Ravien called her back. Cassy stated by this time, Solomon had left the camp trailer. I was told they did have a video of them arguing. The video was when Ravien went back into the house and Solomon returned. I asked if they were able to send the video to me and they stated they would.

I was able to review the video sent to my department phone. Raiven can be heard saying, "pushing me down on the bed and taking my phone is an assault". Raiven states her mother watched it. A male can be heard saying "watch me snatch a phone out of your hand which is all I did" Raiven states even if that's all you did you do realize that's still an assault. They continue to argue on the video.

I explained the process to Solomon and then Solomon was transported to Okanogan County Jail where he was booked for 9A.36.041 Assault in the 4th Degree and citation #2A0064192 was left with his belongings.

I certify or declare under penalty of perjury under the laws of the state of Washington that all statements made herein are true and accurate and that I am entering my authorized user ID and password to authenticate it.
