Subject: Comprehensive Plan and DEIS Comments

Dear Planning Commission,

I heartily encourage the hiring of an expert to assist with the next version of the Comp Plan and DEIS.

Also, I have read the 12 issue briefs prepared by the Methow Valley Citizens Council and I encourage the Planning Commission to follow MVCC suggestions..

In addition, I support the inclusion of a Methow Valley More Completely Planned Area and the Subunit A work in the Plan.

Thank you for your efforts on this complex project and for listening,

Sirinda Krueger
