Subject: Methow Valley

Dear Okanogan County Planning Commissioner,

I am writing this email as a full time resident of Methow WA. I love this valley and moved to the lower Methow with my family to embrace the quiet and peaceful environment.

Recently I have been concerned about several changes in the Lower Valley, one that effect me the greatest is the gravel pit.

My involvement has lead me to other issues as well,

I believe we need to have a Sub Area planning reflecting our unique area.
I am also in favor of hiring a Professional Land use planner.
I recommend we adopt MVCC alternative 4.

Thank you for your work & consideration,
Donna Weishampel
