**Subject:** Okanogan County Comprehensive Plan

Dear Ms. Ingle

Again, thank you for the opportunity to comment on the draft Comp Plan. I have already submitted comments but would like to make one additional comment. Please pass my comments on to the Planning Commissioners.

It is important to include transportation issues in the Comp Plan. It is imperative to retain fire escapes routes that are already county roads in the public domain. Roads that have traditionally provided access and routes need to continue to be left public. Therefore, the Comp Plan needs to include language specifying retention of county roads within the county road system.

Thank you,

Craig Olson
